

# **WILLAMETTE BUSINESS ASSOCIATION**

91119 River Rd Junction City, OR

[www.wbanet.org](http://www.wbanet.org)

## **August 2016**

Willamette Business Association (WBA) is a social club designed to bring together companies in the business community. This will be done by having an active and involved membership who will exchange ideas and information which will benefit members through business outside the association. It is not the aim of the association to exclusively exchange business between members. If members desire to exclusively exchange business with each other, that is their own decision.
